GOLF AT SUNNINGDALE HEATH

PREMIUM INCLUSIVE

An original Harry Colt design (known as Sunningdale Ladies club when it was founded in 1911), the course is ideally suited for players of all abilities.

At 3,700 yards, rounds are quick and can comfortably be completed in under 3 hours. Enjoyable for all ages and abilities, the experience is challenging yet memorable.

We are a friendly, **premium inclusive** golf club where making friends and becoming part of the Club happens naturally. The Club prides itself on its superb food and drink offering and thriving social calendar.

We are passionate about improving your game. Members have access to our incredible coaching team, led by Tom Reid and Kristian Baker, both recognised as Top50 coaches by Golf Monthly.

Members have access to state of the art indoor facilities and our Wellness Studio and our Junior and 'Get Into Golf' Academies have seen people take up the game and flourish.

VISITORS

Sunningdale Heath is ideally situated between the M4 and M3 Motorways and within a 7-minute walk from Sunningdale Train station.

Clubhouse Facilities

- 1902 Bar – available to all visitors, stocking a wide range of beers, a wide range of wines and spirits and plenty of soft drinks.
- Restaurant – we have an amazing Chef who has trained in some of the best Michelin star restaurants in the country, who creates something a little bit different. Not your usual golf club menu, most of golf's popular items have a unique local twist to them.
- Ladies and Gentleman's Changing Rooms - Our locker room and shower facilities have recently been refurbished.

Open to everyone, the ambience is respectful and inclusive. Great food and drink are available for post-golf analysis and the Club also has a very well-stocked shop.
