GOLF AT SUNNINGDALE HEATH

PREMIUM INCLUSIVE

An original Harry Colt design (known as Sunningdale Ladies club when it was founded in 1911), the course is ideally suited for players of all abilities.

At 3,700 yards, rounds are quick and can comfortably be completed in under 3 hours. Enjoyable for all ages and abilities, the experience is challenging yet memorable.

We are a friendly, **premium inclusive** golf club where making friends and becoming part of the Club happens naturally. The Club prides itself on its superb food and drink offering and thriving social calendar.

We are passionate about improving your game. Members have access to our incredible coaching team, led by Tom Reid and Kristian Baker, both recognised as Top 50 coaches by Golf Monthly.

Members have access to state of the art indoor facilities within the Performance & Wellness Centre, offering expert coaching, custom fitting, Pilates, beauty therapy and physiotherapy all available by appointment. Our successful junior and 'Get Into Golf' academies provide structured coaching programmes, helping new players develop their skills and progress in the game.
